How to choose the right chair cushions

BY ERIK J. MARTIN
CWT Features

Life can be hard sometimes, but sitting shouldn’t be. A good chair can make your life a lot more comfortable than you imagined. And while the length of time on a rigid chair can make you chafe, there are other unguessed pieces of furniture.

Fortunately, you can make that sit-down more pleasant — and add a dash of delight — by choosing seat cushions. Here’s how.

Pick the right kind of cushion. Sever
